How To Order Your Graduation Regalia

We will order our regalia from GraduationMall on Amazon. Buying through Amazon is significantly cheaper than past years, and shipping is free and fast with an Amazon Prime account. Amazon also makes returns and exchanges easy, if needed *(GraduationMall also has its own website, but Amazon pricing is better.)*

WHAT YOU NEED

Each graduate must wear:

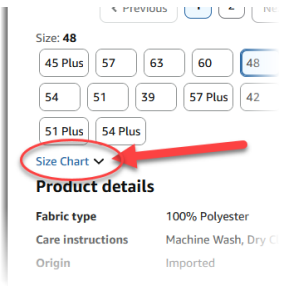

- Black cap and gown
- Single gold tassel

👉*Note:The black cap/gown set from GraduationMall includes a black tassel, but this is not used for the ceremony. It's just a keepsake. Everyone needs to order the separate gold tassel as well.*

Optional Honors Cords

Graduates may also wear any of the following honors cords (as earned):

- Red – BHEA Eta Sigma Alpha, National Homeschool Honor Society
- Gold – Academic honors *(as determined by the parent/educator)*
- Purple – Extracurricular honors *(as determined by the parent/educator)*

IMPORTANT DETAILS

- Check sizing carefully. Use the detailed size chart on the Amazon page and measure your senior before ordering.
- Inspect your order immediately upon arrival. Try it on to confirm fit and completeness. Amazon offers free returns/exchanges for only 30 days after delivery.
- Graduation year charms: The tassel in your cap/gown set may have the previous year's charm. Look for a small bag with the current year's charm inside the package.
    - If you order before January 2026, you may not receive a 2026 charm in your cap/gown set.
    - Your separate gold tassel will have the correct 2026 charm.
    - If swapping charms, handle gently—the metal hook can break easily.
