How to Format & Upload Your Graduation Bios

Students will submit 3 separate senior bios, as different styles are often preferred for:

- Yearbook
- Graduation Ceremony Program (printed)
- Graduation Ceremony (read aloud as student crosses the stage)

Word count: Bios should not exceed 75 words in length (most are 60-75 words). The committee reserves the right to make minor edits for length while preserving the integrity of the content. See samples below.

Once prepared, upload your bios using the linked Google form: https://forms.gle/wiz3kqDc9JC99tqm8
